Rule Book
Dear Georgia Tech Greek Brothers and Sisters,

We are so excited for the 2014 Greek Week competition! This year’s Executive Board has worked very hard to ensure that the 2014 season is the best yet and we can’t wait to share our work with you. We have added some new events as well as removed less popular events. Some of the rules have changed to even the playing field and make the competition more enjoyable for everyone.

After listening to the community from last year, we have decided to remove downhill derby and jousting to open up room for a two-day flag football tournament. This tournament will be bracketed with the finals Saturday Night before one of the best events, TUG on Sunday. Further explanation of this event and the rules associated with it can be found in later sections of the Rulebook. The participation fee for this year is the same as last year and can be found in the “Greek Week 2014 Finances” document that will be sent to your chapter as well as discussed at the information session on Tuesday, February 11th at 8 pm.

In an effort to increase philanthropic endeavors during Greek Week, we have partnered with Tech Beautification Day, Relay for Life and the American Red Cross’ Blood Drive. We have also added a fundraising component to the Greek Week Social to support our Atlanta community. These updates may be found below.

As hard working leaders, volunteers, and students of Georgia Tech, the Greek Community deserves to have a week where its members can compete against each other in friendly and fun environment. Greek Week should be a good time for everyone, as well as fantastic opportunity to show the entire Georgia Tech community how great it is to be Greek! To make sure that the week is a wonderful experience for everyone, we ask that you all come together as a community and show your Greek Week spirit!

We want this week to be as great as it possibly can for you and your chapter, so please do not hesitate to contact us if you have any questions, comments, or concerns.

Sincerely,

Catherine Fletcher and Dominic Reinecker

Greek Week General Rules

Overall Contacts:

Catherine Fletcher | gtgreekweek14@gmail.com | 770-714-6060
Dominic Reinecker | gtgreekweek14@gmail.com | 770-900-4422

Rules:

1. No alcohol will be allowed at any event or protest meeting. Any person consuming alcohol or displaying signs of consumption of alcohol will be removed from the event area or meeting and risks removal of participation points for their chapter.

2. Event check-in will begin at least 20 minutes before the scheduled start time of the event, and will close exactly 5 minutes before the scheduled start time of the event unless a delay is the fault of the events/executive committee.
   a. In the event of a fault by the events/executive committee there will be warnings at five and one minutes left in sign-ups. Everyone in line at the close of sign-ins will be able to sign in.

3. All participants and spectators must have a valid BuzzCard to sign-in.
   a. Any member caught using a false identity will automatically lose double spectator points.

4. Unsportsmanlike conduct or harassment of Events committee members or of the Executive Committee by any participant or spectator can result in a disqualification. In the event that this occurs, no participation points will be awarded (see sportsmanship rules).

5. All events must be completely set up by the sponsoring organization and ready to run at least 15 minutes before the scheduled starting time. Events committee members will inspect the set up before the event begins. Sponsorship points will be lost if the event is not set up on time.

6. In the case where the sponsoring organization supplies equipment for the event, it must be in proper working condition for use. If the equipment is not, then half of the sponsorship points will be lost. A specific list of equipment will be provided to each chapter ahead of time.

7. Unless otherwise stated, “disqualification” refers to a loss of both participation and placement points.

8. In certain circumstances in Greek Sing, Bail Out, and Olympus Derby disqualification may result in loss of placement points but not necessarily participation points (determined by the disqualification resulting from “malicious intent” or not), subject to decision by Greek Week Overall and Events Chairs.

9. Scoring will be as follows, except in specified circumstances:
   a. Sorority scoring
      1st Place – 5 points
      2nd Place – 3 points
      3rd Place – 1 point
b. Fraternity scoring
   1st Place – 5 points
   2nd Place – 4 points
   3rd Place – 3 points
   4th Place – 2 points
   5th Place – 1 point

10. For bracket events, no 5th Place will be awarded for fraternities.
11. In the case of a tie, the points for placement in question and the next placement will be added together and equally split between the two organizations. For example, if fraternities A and B tie for 2nd Place, they will each be awarded 2nd Place for the event and 3.5 points each. If fraternity C had the next highest placement, they will be awarded 4th Place and given 2 points.
12. Video will not be accepted as evidence to dispute a ruling.
13. Spectator points will be awarded as follows, unless otherwise stated (exceptions on page 74), for both fraternities and sororities in these events:
   a. 20% of roster: 3 points
   b. 15% of roster: 2 points
   c. 10% of roster: 1 point.
14. External judges will be used at the following events: Super Splash, Greek God/Goddess, Greek Sing, Stroll, Slam Dunk, and the Banner contest. Any attempt to influence the judges' decisions may result in disqualification. Judges' rulings may not be protested.
15. Anyone competing in any events, or acting as a spectator for any events must have signed a waiver in order to sign-in for the event. If a participant has not signed the waiver upon signing in to participate, unlike in previous years he/she may not sign the waiver after the March 25th deadline at noon.
16. Attendance of at least one member of your chapter is required at GW101, unless excused by both overall chairs.
17. If any Greek Week Exec or committee member fails to fulfill the duties of their position, they will be removed from the position, and their chapter will lose the points for holding the position and will suffer an additional deduction of the points awarded for that position.
18. Any member of Greek Week Exec or an event committee member judging an event must remain disaffiliated. If any occurrence of favoring an organization or judging another one unfairly occurs, the offending individual will be removed from the position, and their chapter will lose the points for holding the position and will suffer an additional deduction of the points awarded for that position (a total deduction of double the points they would have been awarded).
Greek Week Sportsmanship Policy

Overall Contacts:

Catherine Fletcher | gtgreekweek14@gmail.com | 770-714-6060
Dominic Reinecker | gtgreekweek14@gmail.com | 770-900-4422

Unsportsmanlike conduct and/or harassment of Events committee or Exec Committee members by any participant or spectator will be closely monitored at all times during Greek Week.

All chapter members should know the following (lack of knowledge will be no excuse for infractions) rules:

1. For every occurrence of unsportsmanlike conduct that is filed, the organization in question will suffer a point deduction. For a second occurrence of unsportsmanlike conduct that is filed, the organization will be disqualified from the event.

2. Greek Week Exec and the Events committee will be observing behavior by all participants and spectators during each event. Exec members will have Sportsmanship Forms on hand to file complaints. Complaints will be filed directly after the occurrence by exec members only and then given to the overall chairs at the conclusion of the event. Complaints will not be accepted at any other time unless deemed necessary by the overall chairs.

3. Spectators and/or participants are not allowed to file complaints themselves or report a claim to an Exec member. Exec members or Events committee members must witness and/or hear the unsportsmanlike action themselves in order for a complaint to be filed.

   a. If an Events committee member witnesses and/or hears unsportsmanlike action, he/she will report it to an Exec member, who will then file the complaint with the overall chairs.

4. Anyone criticizing or harassing an Exec member will be verbally warned first. If the behavior continues, an unsportsmanlike conduct form will be filed and points will be lost.

5. All rulings made by the overall chairs are final and cannot be protested.

Examples of unsportsmanlike conduct:

- Verbal remarks and/or foul language directed negatively towards members of other organizations or Events/Exec committee members.
- Any attire, handmade or store bought, that is offensive to another organization.
- Malicious comments regarding the scoring/outcome of an event.
- Any comment or action that is not in the spirit of Greek Week and reflects negatively on the Greek community.
• Even comments made between team members that are derogatory or profane will result in punishment.

**Sportsmanship Point Breakdown:**

1st Complaint Filed | Events with Placement Points (excluding Banner): -2 points
1st Complaint Filed | TUG/Greek Sing: -5 points
2nd Complaint Filed | All events: disqualified

Cornhole Tournament

Contacts:

Kaitlyn Johnson | gtgwevents14@gmail.com | (678) 641-9643
Lee Ayres | gtgwevents14@gmail.com | (678) 777-7040

When & Where: Thursday, March 27th, 1pm @ Turf Fields

Team Size: 2

Contest Description: This will be a single elimination tournament. This is a doubles tournament, with teams of two people per chapter playing each other, in a one-match format.

Rules:

1. Each participating fraternity or sorority will have a team consisting of two players.

2. The Cornhole game shall be played until the one team reaches (or exceeds) 11 points at the completion of an inning. The winning team does not need to win by two or more points. The winning team does not need to win by two or more points. Matches are best 2 out of 3.

3. Every Cornhole game is broken down into innings of play. During each inning of play each contestant must pitch all four cornhole bags.

4. The Cornhole game can never end in the middle of an inning. Thus, if a team that pitches first reaches or exceeds 11 points, the game cannot end until the other side is allowed to pitch all of their corn bags and the inning is completed.

5. If the Cornhole game is tied at 11 or more at the end of an inning, play continues until one team or the other achieves a higher score at the end of an inning and wins the game.

6. A cornhole bag in-the-hole (or Hole-In) is a corn bag which is thrown through the hole in the Cornhole platform or otherwise comes to rest inside the Cornhole platform. A corn bag in-the-hole has a value of three (3) points.

7. A corn bag that is not in-the-hole but lands with any portion of the corn bag resting on the Cornhole platform is in-the-count. A corn bag in-the-count has a value of one (1) point. For a corn bag to be in-the-count, it must not touch the ground or any other portion of the court prior to coming to rest on the Cornhole platform. If a corn bag touches the ground before coming to rest on the Cornhole platform, it is a foul and must be removed from the Cornhole platform prior to the continuation of play.

8. A corn bag which comes to rest anywhere except in-the-count or in-the-hole is out-of-the-count and has no scoring value. A corn bag which is declared to be a foul is considered to be out-of-the-count (no matter where it comes to rest) and must be removed from the Cornhole surface prior to the continuation of play.

9. The points of both contestants are calculated for hole-ins and in-the-count corn bags.

10. The points of the lowest scoring contestant for hole-in corn bags are subtracted from the points of the highest scoring contestant for hole-in corn bags. The result is
the hole-in score for the highest scoring contestant. The hole-in score for the lowest scoring contestant is zero.

11. The hole-in score for each contestant is added to the in-the-count score for each contestant to derive the recorded score for the inning.

12. In this manner hole-in and in-the-count corn bags from each contestant or team of contestants are cancelled out and only non-cancelled corn bags are counted in the score.

13. Each team will decide which two contestants will go first. The first contestant to deliver the first corn bag will be determined by a coin flip.

14. For delivery of corn bags, the first side of contestants alternate pitching corn bags until they have thrown all four corn bags, then the remaining contestant (pitching from the other Cornhole platform) continue to alternate in the same manner until all four corn bags are delivered and the inning completed. All deliveries must be underhanded.

15. A contestant may deliver the corn bag from either the left or right pitchers box (see above) but, in any one inning, all corn bags must be delivered from the same pitcher's box.

16. The contestant who scored in the preceding inning shall pitch first in the next inning. If neither pitcher scores, the contestant who pitched second (last) in the preceding inning shall pitch first in the next inning.

17. The pitcher's box is the rectangle 4 ft by 3 ft at each end of the court, parallel and on both sides of Cornhole platforms. The pitcher must maintain constant contact with the designated pitcher's box during the entire address and release of the corn bag. The opponent, while not pitching, shall stand behind the Cornhole platform at least 2 feet to the rear of the contestant who is pitching.

18. If both contestants use the same pitchers box to deliver their corn bags, the contestant pitching first should cross over to the other pitchers box in front of the Cornhole platform and then move to the proper position. (see above) As the first contestant is crossing in front the second contestant should be crossing over in back and mounting the pitchers box from the rear. If both contestants use opposite pitchers boxes, the contestant who pitches first should step directly back to the proper position described above.

19. For any further information, please reference the CRC Cornhole intramural rules.

If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).

6. The judge will stop counting rotations if rules 5a and 5b are not followed. He/she will resume counting when the rotations are performed adequately. The judge will count the rotations aloud so that the contestant knows how many correct rotations he/she has completed.

7. When the contestant finishes the soda, he or she must hand the can to a judge. If the can is not handed back to the judge, a 15-second penalty will be assessed. The soda remaining in the can will be poured into a cup. The amount of soft drink remaining must not be above a line, which will be marked on the cup. The team will be penalized 15 seconds for exceeding this limit.

8. Any contestant pouring out any remaining soda before handing the can to the judge will be disqualified.
9. If there is excessive spilling or no reasonable attempt is made at consuming the beverage, as determined by the judge, the team will be disqualified.

10. Any attempt to impede the progress of another team shall result in automatic disqualification of the team and allow the team that was interfered with to participate in a later heat if deemed necessary by the Events Chairs.

If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).

When & Where: Wednesday, March 26th, 2-8pm @ CRC, 4th Floor

Team Size: 4-8

Contest Description: Teams will participate in a single elimination bracketed tournament of dodgeball. Each team will wear the same color, their chapter letters, or something identifying them as a team.

Rules:

1. Teams must have a minimum of four players and a maximum of eight players to be eligible to participate.

2. Before the timer begins, all players must be touching either the back wall/line on their side of the court.

3. Field boundaries are the walls of the indoor arena and the boundary lines of the basketball court.

4. Team boundaries are the center/midfield lines for until the final two minutes. During the final two minutes players are allowed to be anywhere except for the opposing team's goal zone or beyond the three-point line.

5. A ball is ALIVE if and ONLY if:
   a An opposing player throws it.
   b It is airborne and has not touched the ground, been caught, or touched/crossed a field boundary.

6. A player is deemed OUT if:
   a An ALIVE ball hits the player below the head.
   b The player is hit in the head by an ALIVE ball with CLEARLY determinable reaction time as deemed by the refs.
   c The player places ANY PART OF HIS SHOE over a team boundary line.
   d The player fully steps over a field boundary (there is an exception in rule 13a).
   e The player throws a ball that is caught by an opposing player while it is still ALIVE.
   f Any throw made that is directed toward the opposing team during the first ten seconds of play will result in an OUT for the thrower.
   g Any throw that hits an opposing player in the head without CLEARLY allowing the opposing player to have legitimate reaction time will result in an OUT for the thrower.
h Any player attempts to retain possession of a ball for longer than the 10 second hold period by throwing the ball off of any wall with intention of that player or a teammate recovering the ball. In other words, throwing the ball off the back wall high and thus intending for it to return to the originating team is prohibited.

7. A player may use a ball to ricochet an ALIVE ball for protection from being OUT. The ball is still ALIVE after ricocheting from the ball.

8. If an ALIVE ball is caught, any player on the catcher’s team who was hit by that ball is saved from being OUT.

9. If a player holds a ball for more than 10 seconds, he is OUT.

10. If an ALIVE ball is caught, the catching team may have one player who is OUT be re-entered into the game. Re-entry is not permitted after the two minute mark.

11. If a ball leaves the playing field:
   a If no one is OUT, a player may be allowed to retrieve the ball.
   b If someone is OUT, that player is responsible for retrieving the ball for his or her team.

12. The total game time is six minutes.

13. A team loses if all their players are OUT. If no team has lost at the end of six minutes, there will be a sudden death round.

14. Sudden death will begin with each team having two balls already given to the players of their choice. The first team to get ONE player of the opposing team OUT wins sudden death.

15. Any dispute that cannot be definitively solved with the above rules will be settled by intramural rules found here: http://www.crc.gatech.edu/intramurals/plugins/content/index.php?id=151

If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).

When & Where: Wednesday, April 2nd, 11am @ IC Lawn

Team Size: 2

Contest Description: Two members from each organization will start by standing 10 feet apart. Each will toss a raw egg to their teammate, who then tosses it back. After each team member throws, one participant will back up at least five feet. The organization with the longest throw wins.

Rules:
1. All team members must start behind the designated start lines and must stand behind the next 5 foot marker for each sequential throw.
2. The participant that moves can back up as far as he/she desires, as long as it is further than five feet (intervals of five feet only). However, the distance counted for placement is the furthest completed throw, so if the throw is not made, the previous completed throw is the one counted.
3. If the egg drops on the ground but does not break, the team may pick up the egg and continue the competition.
4. When the egg breaks, the team will be credited with the distance of the last successfully completed pass.
5. If a crack occurs in the egg, the team may continue in the competition as long as the yolk is not coming out of the egg.
6. Interference with another team will result in immediate disqualification.
7. Only bare hands can be used to throw and catch the egg. Catching the egg with anything other than the hands will result in a loss of placement points.

If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).

When & Where: First Round: Friday, March 28th, 4pm @ SAC Fields
Final Round: Saturday, March 29th, 7pm @ SAC Fields

Team Size: 7

Contest Description: Each team will participate in a single-elimination, bracketed flag football tournament. The tournament will span over two days (Friday, March 28th and Saturday, March 29th). The rules governing each game are the Georgia Tech Intramural flag football rules. Changes were made only to adjust the timing of the games from 4 ten-minute quarters to 2 seven-minute halves. All other rules remained the same.

Rules:

Team Size: A maximum 15 person roster is to be submitted each day before the team's first game is played. The players do not necessarily have to be the same on the different days of the tournament.

Game, Field, Players, and Equipment

1. Each team MUST have matching, numbered jerseys for every player. Legal numbers are expanded to include 0-99. A non-numbered jersey will not be allowed as a "00". Your team captain will specify your team's color at the time of registration. The colors of other teams in your league will also be listed. Your team will forfeit if it fails to have the proper jersey at game time. All numbers must be on the back and at least 6 inches in height. Tape is not permitted!
2. Shirts must be long enough to tuck in so that they remain tucked in the pants/shorts during the entire down or short enough so there is a minimum 4" from the bottom of the shirt to the player's waistline.
3. Pants or shorts with BELT LOOPS or POCKETS are prohibited
4. Towels may not hang from a player's waist or otherwise interfere with the possible removal of a flag. Towels however may be used and kept on the ground in between the pucks before the snap.
5. All jewelry must be removed including watches, earrings, bracelets, etc. Players may wear soft, pliable basketball or wrestling knee pads on legs, knees and/or ankle.
6. The game shall be played between two teams of 7 players each on a rectangular field. Each team must have 5 players on the field in order to begin the game.
7. The field is divided into 4 zones of 20 yards each and 2 end zones of 10 yards each
8. Each team shall designate a captain to act as team spokesperson and make decisions. Only the captain may talk to officials. Team representatives including players, spectators, team managers, coaches, and group members are subject to the rules.
9. The use of dangerous equipment is prohibited. Shoes must be worn.
10. Men will use the regular size, NCAA or NFHS football, while women and co-rec may use either a regular or intermediate-size football. Game balls will not be provided as teams must use their own footballs. Officials will not handle the football, the offense is responsible for the ball at all times.
11. The forfeit scores are: Men's 28-6, Women 20-4, and Co-Rec 27-5. If the winning team did not forfeit, the score shall stand as it is at the time of the forfeit.
12. The winner of the pre-game toss shall have the first choice of options: offense/defense, which goal to defend, or to defer the same choice until the second half.

Playing time and intermissions
1. A game shall consist of two halves with a two-minute intermission. Each half shall consist of 10 minutes with the clock stopping once at the two-minute warning of the end of each half. The clock will run continuously for the first eight minutes, stopping at the two-minute mark and afterwards for the following reasons:
   a. Penalties (may start on referee's ready-to-play whistle)
   b. Scoring plays
   c. Incomplete passes/out of bounds
   d. Injured players
   e. Official and team time-outs
   f. First downs (until ball is set in play by the referee's ready-to-play whistle

Change of possession
1. If a team is ahead by 19 points (Co-Rec is 25 points) at the two-minute warning in the second half, the game is over via the mercy rule
2. Teams will change directions at the end of the first half.
3. The ball will be placed on the 14-yard line to begin each half. After every score the ball will be placed on the new offensive team's 14-yard line with a first down, with the zone-line to gain being their own 20-yard line.
4. Each team is allowed two (2) timeouts per half (one-minute time-outs); time-outs not used in the first half are not carried over into the second half. The clock will stop during time-outs.
5. Free substitution is allowed after any whistle provided the substitution does not delay the game. However, no offensive substitute may enter unless he joins the huddle and is part of the huddle at the time when it breaks. Penalty: Illegal substitution
6. The offensive team has 25 seconds to put the ball in play after referee signals "ready for play." Penalty: 5yds, Delay of Game.
7. A maximum of 20 players are allowed on the roster.
8. Ties will be broken by the “Texas Tie Breaker”
9. Play will begin on the 10-yard line and teams will have 4 plays each to score
10. A coin toss will precede "Tie Breaker". The team winning the toss has 3 options: Offense, Defense, or Direction. The opposing team then has the remaining choice.
11. The object is to score a touchdown and subsequent extra point (1, 2 or 3 points). After team A scores, team B then has 4 plays during which to score. If no team has scored after their respective plays the process is repeated; with each team switching roles.
12. When a pass is intercepted the defense becomes the offense and begins their series of 4 plays. If the interception is returned for a touchdown, the game is over.
13. Penalties are assessed similar to the regular game. A team shall be given a new series of 4 plays when an automatic first down penalty is accepted. The zone-line-to-gain will always be the goal line. Dead ball penalties after a touchdown are penalized on the extra point attempt. Live ball penalties committed by either team after team B gains possession during an attempt or an overtime shall be enforced at the succeeding spot. Dead ball penalties (i.e. unsportsmanlike) following a successful attempt will be penalized from the succeeding spot, the team B 10-yard line, if accepted.

**Definition of Playing Terms**

1. When the flag belt buckle is clearly "broken" from the ball carrier, the down shall end and the ball is declared dead. A player who removes the flag belt from the ball carrier should immediately hold the flag belt above his head to assist the official in locating the spot where the capture occurred. A player may dive to remove a flag belt as long as no illegal contact is made with the opposing team.
2. The position of the ball when a player is de-flagged determines the spot of the next line of scrimmage.
3. A defensive player may not hold, push, or knock down the ball carrier in an attempt to remove the flag, nor shall an offensive player hold, block, hurdle, or run through a defensive player trying to remove the flag belt.
4. When a runner loses his/her flag belt, either accidentally or inadvertently, play continues. The de-flagging reverts to a one-hand tag of the runner between the knees and shoulders.
5. The scrimmage line for team A is the yard line and its vertical plane which passes through the point of the ball nearest its own goal line. The scrimmage line for team B is the yard line and its vertical plane, which passes one yard from the point of the ball nearest its own goal line. A colored puck will signify each.

42
Ball in Play, Dead Ball, Out-Of-Bounds

1. The ball is declared dead when the ball touches the ground:
   a. on a fumble
   b. on a lateral
   c. on a pass or
   d. after touching a player on a punt.

2. The sideline and end lines are considered out of bounds. (Only one foot needs to touch in bounds in order for a pass to be complete).

3. It is illegal participation if, prior to a change of possession, an offensive player goes out-of-bounds and returns during the down, unless blocked out-of-bounds by an opponent. If a player is blocked out-of-bounds by an opponent and returns during the down, he/she shall return at the first opportunity. During the down, no player shall intentionally go out-of-bounds and return. Penalty: 10 yards.

Series of Downs, Number of Downs

1. In a series of 4 downs, the ball must be advanced forward past the next zone-line to gain in order for a new series of downs to be awarded. Yardage lines are considered part of the forward zone.

Kicking the Ball

1. If a punt is to be made, the team punting must announce it before the down starts. After the announcement, the punt must actually be made, and neither team may cross the line of scrimmage until after the ball has been punted.

2. The kicking team must have 4 players on the line of scrimmage until the punt is made. After receiving the snap, the kicker must punt the ball immediately in a continuous motion. Penalty: 5 yards.

3. Quick kicks are illegal. Penalty: 10 yards.

4. The defensive team may not build a pyramid or support each other in any manner in order to block or attempt to block a kick. Penalty: 5 yards from the previous spot.

Snapping, Handling, and Passing the Ball

1. The ball may be snapped between the legs or to the side of the snapper.

2. The player who receives the snap must be at least 2 yards behind the offensive scrimmage line. Direct snaps (QB under center) are always illegal.

3. It is defensive pass interference if an eligible receiver is de-flagged prior to touching the ball on a forward pass attempt.

4. During the interval between downs, when 2 or more consecutive encroachments are committed by the same team, the penalty will be 10 yards for the second encroachment foul.

5. The offensive team must have a minimum of four players on the line of scrimmage
6. All players are eligible for a forward pass. The passer may pass from anywhere behind the line of scrimmage.
7. The passer shall not intentionally ground the ball in order to avoid a sack. Penalty: 5 yards and loss of down.

Scoring Plays and Touchbacks
1. A team is given the choice of going for 1, 2 or 3 points after scoring a touchdown. Once the captain makes the choice, it may only be changed if a time out is called. Ways of scoring a successful point-after-attempt:
   a. By running or passing from 3 yards = 1 point.
   b. By running or passing from 10 yards = 2 points; By running or passing from 20 yards = 3.
2. The player scoring the touchdown must raise his/her arms so the nearest official can de-flag the player. If the player is not deflagged with one good pull, and the official determines the flag belt has been secured illegally, the touchdown is disallowed. The player is disqualified, and it is a foul. Penalty: 10 yards from the previous spot and a loss of down.
3. After a safety is scored, the team that is awarded 2 points will automatically gain possession at their own 14-yard line. (No kick will take place)

Players’ Conduct
1. It is illegal to steal or attempt to steal (strip) the ball from a player in possession. The object of the game is to deflag a ball carrier, not to steal the ball. Penalty: 10 yards from the end of the run
2. Defensive players must make a definite effort to avoid charging into a passer after it is clear that the ball has thrown and may not make contact with the throwing arm. Penalty: 10 yards and automatic first down, added on the end of the play (if positive yards have been gained), if not, 10 yards from the previous spot and automatic first down.
3. Ball carriers shall not guard their flags by blocking, with arms, hands or ball, the opportunity for an opponent to pull or remove the flag belt. Penalty: 10 yards from the spot of foul.
4. The defensive player shall not (intentionally or accidentally) hold, grasp, or obstruct forward progress of a ball carrier when in the act of removing the flag belt. Penalty: 10 yards from spot.
5. Intentionally pulling or removing a flag belt from an offensive player without the ball by a defensive player is illegal. Penalty: 10 yards from spot.
6. The offensive screen block shall take place without contact. The screen blocker shall have his/her hands and arms at his/her side or behind his/her back. Any use of the arms, elbows, legs, or knees to initiate contact during an offensive player’s screen block is illegal. A blocker may use his/her feet in order to gain position before, during and after screen blocking. Penalty: 10 yards
7. A player who screens shall not:
a. when he/she is behind a stationary opponent, take a position closer than a normal step from him or her;
b. when he/she assumes a position at the side or in front of a stationary opponent, make contact with him/her;
c. take a position so close to a moving opponent that his opponent cannot avoid contact by stopping or changing direction. The speed of the player to be screened will determine where the screener may take his/her stationary position. This position will vary and may be one to two normal steps or strides from the opponent;
d. after assuming his/her legal screening position, move to maintain it, unless he/she moves in the same direction and path of his/her opponent.
e. Penalty: 10 yards from spot

8. Teammates of a runner or passer may interfere for him/her by screen blocking, but shall not use interlocked interference by grasping or encircling one another in any manner. Penalty: 10 yards

9. Defensive players must go around the offensive player's screen block. The arms and hands may not be used to grab or push the opponent aside (the application of this rule depends entirely on the judgment of the official). A rusher may use his/her arms or hands to break a fall or retain his/her balance. Penalty: 10 yards

10. There shall be no bumping, checking, or other intentional contact between a defender and an offensive pass receiver. Both offense and defense are limited to screening an opponent.

11. If a player attempting a diving flag-removal trips the ball carrier, there is a penalty of 10 yards from the spot of the foul.

12. The third unsportsmanlike foul by the same team shall result in their forfeiture of the game.

If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).

All acts must comply with the following rules. The dimensions of the Ferst Center Stage can be found here. The orchestra pit will be part of the useable space for performances.

General Rules:
1 All performers and stagehands must be official (active) members of the organization with which they are performing and must be enrolled Georgia Tech students (interns and co-ops included) with a current GT student ID number (i.e. 90XXXXXXX). Active status will be checked against rosters provided by the Office of Greek Affairs.

9 A mandatory meeting for all finalists will be held on Tuesday, March 11th at 8:05pm (location TBA). Attendance at this meeting is mandatory for all organizations that are going to participate in the actual event. All rules will be discussed, performance order will be decided, and all questions will be answered during this meeting. The meeting for Greek Stroll will be at this time and location as well.

10 Each group must have a minimum of three song choices and a maximum of ten in their performance. In the event of content conflict, priority will be determined by the order in which groups turned in their application. A group will be informed before preliminaries if there is a song conflict and is encouraged to turn in their backup choice as soon as possible in order to provide for ample preparation time for preliminaries. If there are multiple conflicts with the same song, the first submission will be taken and the following acts will be dealt with individually.

11 Mash-ups are allowed. However, each song in the mash-up will count as an individual song. For example, a mash-up with three songs will count as three songs (out of ten) instead of one. Any clip of any length will be counted as a song.

12 Set dimensions are limited by two factors: (1) the maximum square footage on stage is 120 sq. ft. and (2) the set pieces must fit in a designated 12ft. X 6ft. storage area. There is no maximum height restriction.

13 All set pieces must be labeled with the organization’s letters. Set pieces will be inspected during run-throughs. Any piece that is unlabeled will not be permitted for use during the performance. 13. During run-throughs each organization will be assigned a set storage area in the Ferst Theater. All set pieces must fit in that area.

14 You are required to use light-weight materials in your set construction. Make sure that all set pieces are sturdy and durable.

15 Rented costumes and/or rented masks will NOT be allowed.

16 No animals will be allowed. This includes the Georgia Tech mascot, Buzz.
17 No explosives, fire, or any other devices that may be damaging will be allowed on stage, backstage, or anywhere else in the preliminary and final facilities.

18 No interaction with the Judges or audience by participants during the performance is allowed. The participants may not enter or leave the front of the stage during their performance.

19 No objects may be thrown off the stage during the performance and all extraneous materials must be cleaned off the stage during the time requirement or a penalty of 10 points will result.

20 Any damage done to the preliminary or final facility is the financial responsibility of the organization performing. Every participating group must abide by all rules and regulations of the Robert Ferst Center for the Arts.

21 Be advised: IFC, CPC, Greek Week Executive Board, and Greek Week Committee members must deem all acts in good taste. Obscenities and discriminatory behavior will not be permitted. This includes music, language, behavior, gestures, and partial/total nudity. Acts should not offensively reflect characteristics of any group or organization. Any such acts will result in disqualification. These actions are left to the discretion of the aforementioned groups.

22 All Greek Sing participants are expected to comply with the instructions of any Greek Sing Committee member, Greek Week Executive Board member and/or the venue’s employees. Failure to do so will result in disqualification of the responsible organization.

23 All Judges’ scores and decisions are final and not subject to protest, and individual judges’ rankings will remain confidential. This includes preliminaries and finals.

24 Greek Week points will be awarded.

25 IFC/CPC and the Greek Week Executive Board have the final say concerning disqualification and participation point distribution.

26 In the event of disqualification, the group will lose both participation and placement points in the event.

27 Alcohol will not be tolerated. If any member (pledge, new member, current, or alumni) of an organization is found in possession of alcohol or visibly under the influence at the event, he/she will be asked to leave the event and their organization will be disqualified—that organization will lose ALL points related to Greek Sing.

28 There will be no toleration of negativity to any other finalist, Greek chapter, Georgia Tech organization or student or faculty member. This will be left to the discretion of IFC/CPC and the Greek Week Executive Board. Such behavior will result in instant disqualification.

**Application Process:**

1 Greek Sing Applications will be emailed out to the Greek Week representatives. The first application will be taken at **noon on February 17th and the last at noon on February 21st**. Any applications before or after will not be considered. To submit the application, please fill out the Google Form. A response containing a time-stamped
receipt will be sent to recognize a suitable submission. If the submitted application is incomplete, it will be emailed back as soon as possible. Priority for music selection will be determined by correct application submission.

a  Incomplete applications include: missing song titles, artists, GT ID numbers, performers’ names, stagehands’ names, etc.

b  The entry fee (check) and waivers are due at preliminaries. No organization will be able to participate if either of these are missing.

2 Only one entry form will be accepted per organization.

3 The process for solving the overlap of song selections will be based on a first-come, first-serve basis upon receipt of the application. No organization within the same bracket will be allowed to use the same song. The organization that turns in their application first has priority, marked with a time stamp at time of submission. The conflicting act will not be able to use that song and will be notified on Saturday, February 22nd. They will be allowed to change their song preference only for the conflicting song and must do so by two days prior to preliminaries (February 26th). If a backup song is in conflict, the organization will be notified and dealt with individually.

Preliminaries:

1 Unlike previous years, only electronic copies of your songs will be accepted. You must email the playlist 24 hours before your preliminary time to gtgreeksing@gmail.com. This playlist will be used in the final round if you are selected. The playlist will be tested at the Ferst Center during your run through time prior to finals. Please include in your playlist email the following information:

a  The organization's full name

b  A list of songs and respective artists (in order of use)

c  A contact for the organization and his/her phone number. If a song change does occur, by approval of the Greek Sing Chairs, a new playlist needs to be submitted with the changes and correct labeling. The organization will be contacted by the Greek Sing Chairs to determine an appropriate deadline.

d  If any song is played live and not from the recording, it must be clarified in the playlist.

2 Any “surprises” or “additions” of any sort which were not approved by the Greek Sing Chairs may result in disqualification. In extreme cases, including withdrawing from the competition, will also result in the prohibition of participating in next year’s event. If any minor changes need to be made before preliminaries, please inform both of the Greek Sing Chairs immediately. No significant changes can be made unless decided by Greek Sing Chairs (i.e. music selection conflicts). If changes are made without approval, your organization will not be allowed to participate in finals. Greek Sing Preliminaries will be held Friday and Saturday, February 28th and March 1st from 12:00pm to 8:00pm barring special circumstances as determined by the Greek Sing Chairs. Acts may be performed wherever the chapter would like. In the case that the chapter would like to be provided a location, one may be provided.
Individual times will be assigned based on the preferences stated on the application and time of correct application submission. Times will be emailed out on Saturday, February 22nd after all applications have been submitted.

3 Each act must be present 10 minutes before their respective preliminary stage time to check in. The entire act must be present. Each participant must present his/her Georgia Tech ID (BuzzCard) at this time. Any performer or stagehand not present at preliminaries will not be allowed to participate in finals. If one of your participants cannot be present, immediately inform both Greek Sing chairs at least one week prior to approve a substitute.

4 Each organization is allowed to have three participants missing from preliminaries as long as their GTIDs are provided and they have completed the waiver. Stagehands do not need to attend, but the Greek Sing representative must provide their GTIDs as well.

5 The Greek Week Executive Board, namely the Greek Sing Chairs and Committee members, will tape each one of the performances for preliminaries. The recording will be stationary. You will only get to perform your act ONCE—there will be no retakes.

6 Each performance recorded cannot exceed 14 minutes in length. For each minute that your group exceeds the time limit, 10 points will be deducted from your preliminary score, which may consequently prevent said organization from reaching the finals.

7 During preliminaries, no one is permitted in the room except for members of the Greek Week Executive Board and the performing group. Any others must be approved by the Greek Sing chairs.

8 Nothing will be supplied during preliminaries. It is the responsibility of the chapter to provide all needed materials.

9 Props and costumes used for preliminaries must be the same props to be used for the final performance. Deviation from these costumes without received approval from the Greek Sing Chairs will result in point loss and/or disqualification.

10 A drawing or sample of all costumes and props must be submitted for approval to Greek Sing Chairs during Greek Sing 101 on March 11th. All groups are required to submit a drawing of their props and costumes in order to participate in the finals.

11 A maximum of 10 groups will be allowed to participate in finals; therefore, not every group that participates in preliminaries will move on to participate in finals.

12 A list of the final acts will be selected and notified via email by Saturday, March 8th to the Greek Week Representatives contact list.

13 The final order in which groups will perform for finals will be determined at random and announced at the mandatory Greek Sing 101 meeting.

Ticket Distribution:

1 Tickets are required by everyone for entry; this includes performers, stagehands, and spectators.
2 Ticket Distribution for Greek Sing Finals will be at the mandatory Greek Sing 101 meeting on March 11th. Each organization participating in Greek Sing will be given a fixed number of tickets: 60 for fraternities and 95 for sororities. Additional tickets for participating members will be provided. Only one representative from each organization will pick up all of the tickets.

3 Any tickets that are left over will be available for anyone to pick up on Wednesday April 2 from 2:00pm to 4:00pm. Distribution will be as follows: one ticket per BuzzCard, one BuzzCard per person. Distribution will be first come, first serve.

4 Performers and stagehands will receive their tickets from their representative who comes to pick up their organizations’ tickets. They will receive backstage passes—that must be worn at all times except when performing—before finals.

Mandatory Greek Sing 101 Meeting:

1 The meeting will be held on Tuesday, March 11, at 8:05 PM (location TBA).

2 A representative from each organization performing in finals must be present at the meeting. Any organization that is not present on time will NOT participate in finals.

3 At the meeting, the final rules will be reviewed, as well as the final scoring.

4 All organizations must bring all final costumes, props and set schematics to this meeting that were not worn or present at preliminaries. All props to be used at finals must be approved at this meeting.

5 A final list of performers and stage use will be confirmed based on the list provided with the applications.

6 This meeting will be the last time to discuss any issues with the Greek Sing Chairs.

7 The order of run-throughs prior to finals will be the reverse order of the final performance list. Any conflicts with this order must be dealt with at the discretion of the organizations. The organization is accountable for switching with another organization’s run-through time slot in case of conflict.

Greek Sing Finals:

1 Greek Sing Finals are on Wednesday, April 2nd 2014 at 7:00pm at the Ferst Center.

2 All Greek Sing Finals performers and help are required to be present at 5:45pm for check-in. All participants must have their Georgia Tech ID at this time. Any group not present by 6:15pm will be disqualified. Discretion and timing is up to the Greek Week Executive Board and Greek Sing Chairs.

3 No one is allowed backstage before or during the show unless they have a backstage pass supplied by the Greek Sing Committee.

4 Performance time for finals is limited to two minutes for set up, ten minutes for the performance, and two minutes for take down per group. Set up begins as soon as the first participant sets foot outside of the wings, the performance begins when the curtains open, take down begins when the lights go down and take down concludes
when the stage is clear of all items and performers. Note that these times are separate. During finals, there will be a 10% reduction in the act’s total score for each additional minute or any fraction thereof, affecting final placement. Official timekeepers, as a part of the Greek Week Executive Board and Greek Sing Committee members, will be present at both events (preliminaries and finals).

5 All props, costumes, and equipment must be removed from the facility by 11:30PM after the event. Failure to do so will result in a $500.00 fine.

6 Sound will be provided and cued by Greek Sing Committee members using the electronic playlist provided by each group at preliminaries.

7 Direct input of instruments is available at the venue, however it is recommended that you use personal amps for your guitars and use DI for your bass guitar and keyboards.

8 The act performed at Greek Sing Finals must be the same act performed at preliminaries.

9 Only those contestants whose names were submitted to the Greek Sing Chairs on the application and participated in preliminaries will be allowed to participate in finals, unless otherwise discussed earlier with the Greek Sing Chairs.

10 The order in which groups will perform will be as emailed and determined at the mandatory Greek Sing 101 meeting.

11 The first, second, and third place winners (for each participating category—Fraternities and Sororities) of Greek sing will be announced at the end of the show.

Judging/Points:

1 Preliminaries and finals will be judged using the same scoring system, excluding costumes, set design, and audience appeal in preliminaries. Each category is based on a scale of 0-10, but weighted differently (see below), for a total of 50 points during finals (35 during preliminaries).

   a  Audience appeal—0.5
   b  Vocal abilities—0.75
   c  Dance difficulty—0.75
   d  Appearance (Costumes)—0.5
   e  Appearance (Set Design)—0.5
   f  Creativity/Originality—1
   g  Overall Performance—1

2 Score calculation:

   a  (Category Score 0-10) * (Category Weight) = Category Total Score
   b  Sum of all Category Total Scores (7 categories) = Final Performance Score (maximum of 50)
3 Scoring for audience appeal, costumes, and set design will only be during finals. This makes the maximum final performance score for preliminaries 35.

4 Preliminary scores will not affect final scores for placement.

5 Points will be distributed among each participating category—IFC and CPC. Groups will receive points for participation in preliminaries, participation in finals, and for placement of first, second and third at the end of finals.

   a Participation in preliminaries—5 points
   b Participation in finals—5 points
   c Winners
      i 1st place—12 points
      ii 2nd place—10 points
      iii 3rd place—7 points

   If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).

the male and female divisions. These placements will then be used to award points
for the individual organization’s respective Greek Week bracket.

General Rules:
1 All performers and stagehands must be official (active) members of the
  organization with which they are performing and must be enrolled Georgia
Tech students (interns and co-ops included) with a current GT student ID

Official timekeepers, as a part of the Greek Week Executive Board and Greek Sing Committee members, will be present at the event.

If there are multiple conflicts with the same song, the first submission will be taken and the following acts will be dealt with individually.

14 Any damage done to the facility is the financial responsibility of the organization performing.

15 Be advised: IFC, CPC, Greek Week Executive Board, and Greek Week Committee members must deem all acts in good taste. Obscenities and discriminatory behavior will not be permitted. This includes music, language, behavior, gestures, and partial/total nudity. Acts should not offensively reflect characteristics of any group or organization. Any such acts will result in disqualification. These actions are left to the discretion of the aforementioned groups.

When & Where: Friday, March 28th, 2pm @ SAC Fields

Team Size: 2

Contest Description: The contest will take place on the SAC fields. The course is a loop full of obstacles that each contestant must go through before making it to the finish line. At the start of the race one team member will be wearing the sumo suit at the start/finish line, while the other team member wait beside them. The first contestant will race his/her way through the obstacles on the field when given the signal to go. Once the runner reaches the waiting team member and tags their hand, the team member wearing the other suit will complete the course as well. The team with the shortest time wins.

Rules:

1. Each participant must wear shoes on the turf.
2. Each contestant must remain in his or her lane at all times.
3. Every cone that is knocked down will result in a 5-second penalty that will be added to the final time.
4. If the trip bar is knocked off its pegs, a 15-second penalty will be added to the final time.
5. If any member of the team leaves the bounds of his or her lane by crossing over the separation line, a 5-second penalty will be added to the final time.
6. If a member or members of the team fall down during the run, no deductions will be made.
7. The clock starts as soon as the first member of the team breaks the plane of the starting gate.
8. The clock does not stop until the last person wearing the sumo suit has crossed the plane of the finishing gate.

If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).

TUG

Contacts:
Catherine Fletcher | gtgreekweek14@gmail.com | 770-714-6060
Dominic Reinecker | gtgreekweek14@gmail.com | 770-900-4422

When & Where: Sunday, March 30th, 9am @ IC Lawn

Team Size: 10 – 14

Contest Description: The TUG pit measures approximately 118 ft x 8 ft x 3 ft with the middle pit measuring 8 ft. x 8ft. x 8 ft. filled with water and two tugging pits on either side. The two teams will line up on either side of the pit along the TUG rope and attempt to pull the TUG rope from the other team. The TUG is divided into two divisions: Men’s and Women’s. The goal is to pull the end knot from the opposing team’s anchor or to have the majority of the rope at the end of the time limit.

Notice: Teams participating in TUG may not practice in any GT volleyball court. This includes the CRC sand courts (behind the SAC fields), the court on top of Curran Parking Deck, the North Avenue sand court, or the court by the freshmen dorms. Any team found to be violating this rule will be disqualified from TUG.

Diagram of TUG pit:

Rules:
1. The top four teams from the previous year will be placed in the opposite end of the tournament bracket.
2. All tugs will start with the flip of a coin and the winner choosing which side they wish to tug on.
3. The two overall Greek Week Chairs, the two Events Chairs, and when needed the Logistics and Assistant Events chairs will be the ONLY judges for this event and their rulings are final.
4. The maximum time limit will be 8 minutes for the men’s division and 7 minutes for the women’s division.
5. A single tug ends when one of the following occurs:
a. One team pulls the other into the center pit.

b. One team pulls the other team so that the anchor holds the rope behind the knot at the end of the rope.

c. If the time limit is reached, the match will end when one of the following occurs:

i. The judge will signal that overtime is starting and thus Rule 5b takes effect.

ii. The match will be over when the flag tied to the center of the rope breaks the plane created by the markers.

iii. If the flag at the center of the rope has already broken the plane created by the markers then the match will be ended and the team with the flag on their side is to be declared the winner.

6. In the final match, there will be no time limit. The final match will end when either 5a or 5b occurs.

7. Team members MUST REMAIN STANDING for the duration of the tug. In the event a member falls down, an official will order that member to be standing within 5 seconds or that member will be removed from the tug. If that member refuses to leave, the team will lose placement points and fail to advance to the next bracket.

8. Any tugger that falls in the lane or pit cannot use the rope to pull him or herself up.

9. If a team or a member of a team is judged to be continually “falling” on purpose and using the 5 second rule to their advantage, the team will be disqualified or the member will be removed by the judges present, respectively.

10. Only one person other than the participants in the tug, the coach, will be allowed in the TUG area. Spectators must remain outside the designated TUG or your team will be disqualified.

11. In the event that a tugger (participant) becomes physically incapable of continuing the tug, the coach must remove the sick/injured tugger from the pit without stopping the tug.

12. All tuggers and coaches must wear closed toe shoes (no flip flops or sandals).

13. The anchor is not allowed to wrap the rope around his/her body (i.e. crossing any part of the rope). Once a tugger holds any part of the rope behind the knot, the tug is over.

14. Any team whose member(s) are found entering a RHA dormitory or other institute facility during the event will be disqualified. Disqualification plus a $100 fine will be given to any fraternity/sorority team who enters such a building before completely washing off at the provided wash station.

15. All participants must present a valid BuzzCard at BOTH the weigh-in and at the check-in just before TUG begins.

16. A final roster consisting of persons who have previously weighed-in, which meets the weight limit, must be submitted online before 5 pm on Saturday, March 29th. Those members must sign-in and show their IDs again at this time. NO
SUBSTITUTES will be allowed after this list is submitted. Any team found tugging with a member not on this submitted list will be disqualified.

17. The number of participants on the line, including the anchor, must be between 10 and 14.

18. All of the tuggers on the final list submitted for each team and 30/21 members that weigh in must have completed the TUG Health Seminar posted online on our website in order to be eligible to weigh in. Failure to do so will result in disqualification and loss of participation points. If a member who has not completed the health seminar is on the final roster, the team captain will be notified so that the member can be replaced.

19. The judges during each tug may not be a member of either of the two fraternities/sororities that are participating.

20. To begin each tug the following procedure will occur:
   a. The side judges will ask the anchors and coaches of each team if their team is ready.
   b. When both teams are ready the center judge will say “Tuggers sit” and the tuggers will get down in position.
   c. The tuggers will have 30 seconds from the time they are told to sit until the horn will go off, signaling the start of the match.
   d. There will be no pulling done by either team during these 30 seconds. Any pulling will result in a warning, with 3 warnings resulting in a disqualification.

21. If towels are used, the team must remove them after each tug.

22. Intentionally jumping into the pit will result in disqualification and loss of participation points.

23. The weigh-in will take place from 9am to 6pm on Friday, March 28th at the Lambda Chi Alpha Fraternity House. A BuzzCard must be shown at this time. A secondary weigh-in will take place at the Tau Kappa Epsilon house from 3pm to 4pm on Saturday, March 29th. Note that this is only a conflict time for tugger’s who cannot make the weigh in on Friday.
   a. Each tugger’s weight will be recorded. After weighing in once, a tugger may not return and weigh-in again to change the recorded weight.
   b. A maximum of 30 members can weigh in for each participating sorority.
   c. A maximum of 21 members can weigh in for each participating fraternity.
   d. Any person weighing in that appears to be intentionally altering their weight by any means will be asked to leave. The individual in question’s weight will not be counted in their team’s average and he/she will not be allowed to tug on the line for their team.
   e. The maximum amount of clothing an individual may wear when weighing in is one pair of athletic shorts (NO pockets) and one t-shirt, fitting accordingly. Any violations of this dress code will be subject to rule 23d.
After all participants for a team have weighed-in, the average weight will be calculated for that team. The line weight for men and women will be calculated based on these averages (see sample calculation below).

Team A: average weight/person = 150 lbs.
Team B: average weight/person= 180 lbs.
Team C: average weight/ person= 170 lbs.
Maximum line weight for division= \((150+180+170)/3\)\(^*\)14

A list of all eligible tuggers weights will be given to the coach once the entire team (up to the maximum 30/21 members) has weighed-in.

At 4:59 PM on **Saturday, March 29th, 2014**, the team weight limits for both divisions will be made available to coaches and teams.

The final list of participants must be turned in to the Events Committee via Google Form on our website by 11:59 pm on Saturday, March 29th. Any chapters that submit a roster after this time will not be eligible to participate.

24. All teams must participate in ALL matches, which they are bracketed to participate in. Should a team choose not to participate in all matches for which they are bracketed, the team will not receive participation points for the event.

25. Any team that does not receive participation points for TUG will be seeded accordingly the following year. Their seeding the following year will reflect as if the team has never participated in TUG. Example: If a team backs out of a consolation match they will lose participation points and then they will be seeded at the bottom of the field the following year.

**Points:**

- Points will be awarded as follows:
  - Participation—5 points
  - Sorority & Fraternity Brackets
    - 1st—10 points
    - 2nd—8 points
    - 3rd—5 points

*NOTES: All weigh-ins will take place on professional scales that are calibrated and operate correctly on any surface. All participants must complete the online TUG Safety Seminar to be eligible to participate in the event.

If any member/pledge/new member/alumni of a chapter is seen consuming alcohol or is visibly under the influence, he/she will be asked to leave the event and their chapter will lose participation points and sponsorship points (if applicable).
